

EMB 2010 FALL BALL

It's again that time to start thinking about EMB's second annual Fall Ball. Like last year, Fall Ball will be free of charge to all EMB registrants in the Pee Wee, Bantam and Midget Divisions. One change this year is we will be adding Mosquito aged kids to the program. However, we do strongly encourage kids to buy a Fallball Shirt to wear and promote both the program and Estevan Minor Baseball in town. The shirts are expected to be around \$30.00.

The program will run from Mid-July until late August. Like last year, the program is not a come and go program. Missing one or two is acceptable, but the coaches are asking for a commitment again.

We are excited about last year's turnout and hope to build on that. All workouts will be at Lynn Prime Park. The coaching staff is a group of young guys from Estevan who have grown through our system and have a lot to offer.

Please fill out the following registration form and email it back to t.copeland@sasktel.net or fax to (306) 634-3751 (Attn: Tom Copeland) by June 30, 2010.
