## Bantam Tournament Rules

- 6 run mercy
- Game over if 10 up after 4
- NO new inning after 1 ½ hours on Saturday to keep everything running on time!
- All rules are the same as SBA bantam rules other than the overage pitching and pitch count. Any teams with over age players need to note the Estevan Minor Ball rules for this year. Over age pitching can only account for only 2 innings of any one game. (Example- one pitcher for 2 innings or 2 pitchers for 1 inning each). Bantam division allows only first year overage players to pitch. Second year overage bantam players may play but are not allowed to pitch. Please note that for overage players one pitch is considered one inning.
- Pitch counts are 12 outs per game or 36 outs per tournament.
- Please bring the sheets from the out of town games to the tournament so we can record scores and pitchers. All game sheets can be brought upstairs in the tower building.
- We will try our best to provide base ump, however if one is NOT provided the Home team will need to provide a parent to base ump.

Hope you have a Great Week-end playing ball!
